Duties

The basic duties include looking for bible study contacts through church visitors, church member relatives, Dine Radio contacts, clothing sales, city events used as literature giveaways, children's ministry programs, health programs, and possibly through radio podcasts. Once the contacts are made then start giving weekly bible studies to these individuals with the hope of bringing them and their families to a full surrender to Christ and becoming SDA church members.

Evangelistic meetings could also be planned and completed. Maybe Prophecy seminars or other evangelistic events in hopes of reaching more good contacts to follow up on.

We are asking for 20 hours a week per individual missionary to be mostly focused on bible studies and evangelistic efforts.

We will be giving \$600 a month per missionary as a living allowance.

Experience

An individual, a team, or a family that is missionary minded and experienced in evangelism and giving bible studies would be a good fit for us. This area has had a difficult time getting new converts in the past. We are looking for someone or a team or family that is persistent and creative.
