

# Travel Advisory Taiwan

Level

1

Exercise normal precautions

*Reissued after periodic review with minor edits.*

Exercise normal precautions in Taiwan.

Read the [Taiwan International Travel Information](#) page for additional information on travel to Taiwan.

If you decide to travel to Taiwan:

- Follow the U.S. Department of State on [Facebook](#) and [Twitter](#).
- Enroll in the [Smart Traveler Enrollment Program \(STEP\)](#) to receive Alerts and make it easier to locate you in an emergency.
- Review the [security report for Taiwan](#) from the Overseas Security Advisory Council.
- Prepare a contingency plan for emergency situations. Review the [Traveler's Checklist](#).
- Visit the U.S. Centers for Disease Control and Prevention (CDC) page for the latest [Travel Health Information](#) related to your travel.
