Travel Advisory Belgium

Level

Reissued with obsolete COVID-19 page links removed.

Exercise increased caution in Belgium due to terrorism.

Country Summary: Terrorist groups continue plotting possible attacks in Belgium. Terrorists may attack with little or no warning, targeting tourist locations, transportation hubs, markets/shopping malls, local government facilities, hotels, clubs, restaurants, places of worship, parks, major sporting, music, and cultural events, educational institutions, airports, and other public areas.

Read the country information page for additional information on travel to Belgium.
