

Build a Church

Purpose : Community Service

When: Oct 4 - 18, 2023

Summary

We invite you to join our mission work in Summerville, Georgia. We are building a church for a community in need. The Summerville Adventist Church is the only congregation in the county. They engage in outreach regularly with a food pantry, weekly jail ministries and Bible studies. Our goal is to build a mission center, church structure, that will become a beacon of hope in this community of great need, pointing all to Christ. Will you join our efforts?

This is a two week opportunity. Participants are responsible for travel to and from the work site. All expenses, food and accommodation, are covered upon arrival.

We pray that God will continue to lead you as you follow His calling.
