

Kenya Mission Trip

Purpose : Construction

When: Mar 17 - 27, 2024

Summary

We will be assisting Africa Mission Services (Dr. Francis Aho) with construction of a girl's dormitory. We are also taking several medical professionals as part of our team to provide dental and medical services to the Maasai community. Our students will also conduct a week of prayer (vbs) for the 500 students in the local school.

Travel Advisory

United States

1 Exercise normal precautions

Kenya

2 Exercise increased caution

Reissued with obsolete COVID-19 page links removed.

Exercise increased caution in Kenya due to **crime, terrorism, civil unrest, and kidnapping**. Some areas have increased risk. Read the entire Travel Advisory.

Do Not Travel to:

Kenya-Somalia border counties and some coastal areas, due to **terrorism** and **kidnapping**.

Areas of Turkana County, due to **crime**.

Reconsider Travel to:

Nairobi neighborhoods of Eastleigh and Kibera, due to **crime** and **kidnapping**.

Certain areas of Laikipia County, due to **criminal incursions** and **security operations**, reconsider travel through Nyahururu, Laikipia West, and Laikipia North Sub-counties.

Country Summary: Violent crime, such as armed carjacking, mugging, home invasion, and kidnapping, can occur at any time. Local police often lack the capability to respond effectively to serious criminal incidents and terrorist attacks. Emergency medical and fire service is also limited. Be especially careful when traveling after dark anywhere in Kenya due to crime.

Terrorist attacks have occurred with little or no warning, targeting Kenyan and foreign government facilities, tourist locations, transportation hubs, hotels, resorts, markets/shopping malls, and places of worship. Terrorist

acts have included armed assaults, suicide operations, bomb/grenade attacks, and kidnappings.

Demonstrations may occur, blocking key intersections and resulting in widespread traffic jams. Strikes and other protest activity related to political and economic conditions occur regularly, particularly in periods near elections. Violence associated with demonstrations, ranging from rock throwing to police using deadly force, occurs around the country; it is mostly notable in western Kenya and Nairobi.

Due to risks to civil aviation operating in the vicinity of the Kenyan-Somali border, the Federal Aviation Administration (FAA) has issued a Notice to Air Missions (NOTAM). For more information, U.S. citizens should consult [Federal Aviation Administration's Prohibitions, Restrictions, and Notice](#).

Some schools and other facilities acting as cultural rehabilitation centers are operating in Kenya with inadequate or nonexistent licensing and oversight. Reports of minors and young adults being held in these facilities against their will and physically abused are common.

Read the [country information page](#) for additional information about travel to Kenya.
