

AYP Mission Trip – Washington, DC

Purpose : Community Service

When: Aug 28 - Sep 2, 2024

Summary

During our 5 days together, we'll participate in a restoration project, outreach projects, and impactful worship. Beyond making a missional impact in the DC/Maryland region, you'll have the opportunity to experience the sights of our nation's capital alongside new friends from across North America and beyond!

Renewal Church is a Potomac Conference church plant in Maryland focused on serving and engaging next generations in the DC suburbs. The goal is to engage the local community as a center of influence.

Currently, Renewal is working to secure a storefront which would serve as a cafe where the church could engage the community. From this space, the church would host various classes and community programs. On Sabbath, this space would transform into a worship center.

This mission trip will help them transform the space into a center of influence/worship center. Furthermore, our group will support the needs of community members and will participate in outreach in the communities surrounding Renewal.
