

Mega Health Clinic in St. Louis May 4-9, 2025

Purpose : Medical / Health Education

When: May 4 - 9, 2025

Summary

We are a humanitarian, non-profit organization dedicated to sharing the blessings we've received by giving FREE medical, dental, vision, and surgical services to communities we visit. Through a four-day event at the America's Center Convention Complex in St. Louis, Pathway to Health will partner with healthcare providers, volunteers and community organizations to address significant gaps in access to care. The event will bring together over 3000 healthcare professionals and volunteers to serve thousands of residents, offering services such as screenings, specialty care, imaging, minor surgical procedures, women's health services, STD testing, mental health counseling, health education, lifestyle coaching and follow-up referrals. Included are ancillary services such as free clothing, haircuts and legal counseling. By removing financial and logistical barriers to healthcare, Pathway to Health aims to remove health outcomes and empower individuals to take charge of their wellbeing.
